

Terms and conditions

THIS STANDARD LIMITED WARRANTY (THE "LIMITED WARRANTY") GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.

THE LIMITED WARRANTY CAN ALSO BE FOUND ONLINE AT WWW.PRINCIPALSLOAN.COM/WARRANTY, AND IN THE DOCUMENTATION WE PROVIDE WITH THE PRODUCT.

WE WARRANT THAT DURING THE WARRANTY PERIOD, THE PRODUCT WILL BE FREE FROM DEFECTS IN MATERIALS AND WORKMANSHIP FOR A PERIOD DEFINED HEREUNDER.

EXCEPT FOR THE WARRANTY SET FORTH HEREIN, SELLER MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO ITS PRODUCTS, INCLUDING ANY (A) WARRANTY OF MERCHANTABILITY OR (B) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE.

SOME STATES DO NOT ALLOW LIMITATIONS WITH REGARD TO IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

OUR RESPONSIBILITY FOR DEFECTIVE GOODS IS LIMITED TO REPAIR OR REPLACEMENT AS DESCRIBED BELOW IN THIS WARRANTY STATEMENT.

Who may use this warranty?

Principal Industries, located at the address 3490 Venture Drive, San Angelo, Texas 76905 ("we", "our", or "us"), extends this Limited Warranty only to the final purchaser ("you" or "End User") of our products, power supplies, and components, (the "Products") on or after July 1st, 2023 and until this document is later superseded.

What does this warranty cover?

This limited warranty covers defects in materials and workmanship of the Products (the "Product Warranty") and limited labor (the "Labor Warranty") for the Warranty Period as defined below. We will repair or replace Products that fail during normal use during the applicable coverage period due to a manufacturing defect in factory-supplied materials or factory workmanship and a specified amount of the labor costs as indicated herein.

What does this warranty not cover?

This Limited Warranty does not cover any damage due to: (a) transportation; (b) storage; (c) improper installation or use outside of the Products' intended applications and stated purposes as outlined in the Product data sheets and installation instructions; (d) failure to follow the Product instructions or to perform any preventive maintenance; (e) modifications; (f) unauthorized repair; (g) normal wear and tear; (h) excessive temperatures or other exposures outside the range of the Products' rated limits or (h) external causes such as accidents, abuse, or other actions or events beyond our reasonable control to include acts of God, power surges, and vandalism. Additionally, the use of non-approved third-party power supplies, components, or controls in conjunction with products will automatically void this Limited Warranty.

What is the period of coverage?

The Limited Warranty starts (the "Effective Date") on the date of installation (the "Installation Date") or the manufacturing date code of the Product (the "Manufacture Date") as provided below. Upon installation of the Product, you must fill out the Warranty Registration Form located on our website and return it to us within thirty (30) days of Product installation for the Installation Date to be the Effective Date of this Limited Warranty. If you do not submit a Warranty Registration Form within 30 days of installation, the Effective Date will be the Manufacture Date. This Limited Product Warranty begins on the Effective Date. It lasts for the applicable time on the attached schedule. The Limited Labor Warranty starts on the Effective Date and lasts for the applicable time on the attached schedule (the "Warranty Period"). The Warranty Period is not extended if we repair or replace the product. Discontinued products not stated on the attached schedule are not covered by this Limited Warranty and are provided AS IS. We may change the availability of this Limited Warranty at our discretion, but any changes will not be retroactive.

What are your remedies under this warranty?

We will determine whether a Product is defective with reasonable discretion with consideration given to the Product's overall performance. With respect to any defective Product during the Warranty Period, we will, in our sole discretion, repair or replace such Product (or the defective part) free of charge. The limited Labor Warranty covers up to \$500 maximum for LED products per location and \$100 maximum for power supplies per location. Any Labor Warranty in excess of these amounts must be made by formal request and approved by our Customer Service Department/Warranty Division.

How do you obtain warranty service?

1. To obtain Product warranty service, the End User must submit a Warranty Claim Form located on our website (The "Claim Form"). Claim Forms must be submitted to our Customer Service Department/Warranty Division by email to warranty@pindustries.com or by fax to 325-227-6841. Once the Claim Form is received, a Return Material Authorization ("RMA") number will be issued and sent to you.
2. Once the RMA number is obtained, the alleged defective Product shall be returned at your expense directly to us or the location designated by us at the time the RMA is issued. The Products must be returned within thirty (30) days of the RMA issuance for the RMA to remain valid. All shipping boxes and packing slips must be marked with the valid RMA number.
3. If the Product returned with the RMA is found to be a defective Product and covered by this Limited Warranty, we will provide the remedy outlined in this Limited Warranty, and any replacement Product will be provided with standard shipping free of charge.
4. For immediate solutions, the customer may order a replacement Product directly from an approved distributor at the customer's expense. Suppose the Product is determined to be defective after its return with the RMA and therefore covered by this Limited Warranty. In that case, we will issue a credit for the replacement Product and standard shipping.
5. If any Product returned with a valid RMA is not found to be defective, a replacement product will not be sent nor a credit issued, and we will return the Product to the customer at the customer's expense.
6. For a Labor Warranty claim, End User must contact our Customer Service Department/Warranty Claims Division at 325-227-4577 or by email at warranty@pindustries.com for service. Documentation must be provided to us within thirty (30) days of the warranty work.

Limitation of liability

THE REMEDIES DESCRIBED ABOVE ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND OUR ENTIRE LIABILITY FOR ANY BREACH OF THIS LIMITED WARRANTY. OUR LIABILITY SHALL UNDER NO CIRCUMSTANCES EXCEED THE ACTUAL AMOUNT PAID BY YOU FOR THE DEFECTIVE PRODUCT, NOR SHALL WE UNDER ANY CIRCUMSTANCES BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES OR LOSSES, WHETHER DIRECT OR INDIRECT. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Entire agreement

This Limited Warranty contains the complete and exclusive agreement and understanding related to the warranty of our Products. No agent, employee, or other representatives of Principal Industries or any other party has authority to bind us or is authorized to make any warranty in addition to, or in lieu of, the warranty contained in this Limited Warranty unless expressly and mutually agreed to in writing signed by an authorized officer of Principal Industries. This Limited Warranty may not be modified, altered, or amended without the written agreement of an authorized officer of Principal Industries. Any additional or different terms shall be null and void unless expressly agreed to in writing by an authorized officer of Principal Industries.

Governing law and submission to jurisdiction

All matters arising out of or relating to this Limited Warranty shall be governed by, interpreted, and construed in accordance with the internal laws of the State of Texas without giving effect to any choice of law or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than those of the State of Texas. Any legal suit, action, or proceeding arising out of or relating to this Limited Warranty shall be instituted in the state courts located in San Angelo, Texas, county of Tom Green, or the federal courts of the Northern District of Texas.

*The Life of Sign Warranty only applies to the Prism Synergy modules in applications, not the power supply. The product warranty itself is the same as it is for all of our other products as outlined in the Principal Sloan Warranty Statement; only the duration of the coverage has changed. The lifetime product coverage will require the submission of the Principal Sloan Warranty Registration Form within 30 days of the installation of the sign. If the Warranty Registration Form is submitted within the specified 30-day period, the term of the coverage begins at the date of the sign installation. If the Warranty Registration Form is not submitted within the specified 30-day period, the term of the coverage begins at the manufacture date code on the products. The lifetime warranty will only apply to the original and unaltered sign. For specification work, the warranty is with the OEM or National Program End-User per contract agreement to use the Prism Synergy Series.

Prism Synergy Stik Deep Double-Sided	B-SY-DZZ-XXXYY-DP	√	√
Prism Synergy Stik HO Single-Sided	B-SY-SZZ-XXXYY-HO	√	√
Prism Synergy Stik HO Double-Sided	B-SY-DZZ-XXXYY-HO	√	√

NOTE: XXX = Length, YY = CCT (color temperature), ZZ = No. of mods

*The Life of Sign Warranty only applies to the Prism Synergy modules in applications, not the power supply. The product warranty itself is the same as it is for all of our other products as outlined in the Principal Sloan Warranty Statement; only the duration of the coverage has changed. The lifetime product coverage will require the submission of the Principal Sloan Warranty Registration Form within 30 days of the installation of the sign. If the Warranty Registration Form is submitted within the specified 30-day period, the term of the coverage begins at the date of the sign installation. If the Warranty Registration Form is not submitted within the specified 30-day period, the term of the coverage begins at the manufacture date code on the products. The lifetime warranty will only apply to the original and unaltered sign. For specification work, the warranty is with the OEM or National Program End-User per contract agreement to use the Prism Synergy Series.
